Description: Pluma Sodi was a female Kage and sister of Krismo Sodi, the leader of the Kage Warriors. During the Clone Wars, the leader of her homeworld Quarzite, the Belugan Lord Otua Blank, sought her as his bride, and was captured. She was later set free and given back to her brother by Asajj Ventress, one of the bounty hunters who had been tasked with transporting her to Otua Blank's stronghold.
