Planets D6 / Vincorba

Name: Vincorba
Region: Expansion Region
Class: Terrestrial
Atmosphere: Breathable
Native species: A species
Immigrated species: Human

Description: Vincorba was a rocky planet situated in the Expansion Region. Its inhabitants included humans and members of a bipedal species, while the pontiff was a ruling figure on Vincorba. During the Imperial Era, the current pontiff allied with the Crimson Dawn criminal syndicate. The pontiff was assassinated by three members of the Assassins Guild on behalf of the Sith Lord Darth Vader, who was intending to destroy the syndicate and wished to test the assassins.
