Filters out most harmful particles from the air or seal with two hours of air

Charcter Bio - Verd Skirata is the youngest brother of Kad Skirata and Akaan Skirata and Adenn Skirata. Verd is a direct descendant of Ordo Skirata and his wife Besany Wennen. Verd means warrior in the Mandalorian language.
Verd is pretty close to his nephew Je'karta and most times is kinda of a bodyguard to him and sometimes a mentor type to Je'karta.
Verd is the lead sniper for the Mandalorian Super Commandos, he has yet to miss a target. When other Super Commando trainees want to become a sniper then they are sent to Verd to be trained. Verd Skirata is his older brother Kad's top lieutant.
Verd Skirata is almost unrivaled in his knowledge of tactics and held a reputation as a master of command. A methodical man, he was the architect of many of Mandalore's victories in the war. Verd is knowledgeable in a number of languages, including Basic, Zabraki, Nikto, Honoghran and Mando'a. Verd's influence extended throughout Mandalorian affairs, reshaping their entire culture. His contributions to Mandalorian strategy ranged even down to the mundane matters of traffic control. Verd is the only of his brothers besides Kad to be married, He married a Zeltron woman named Dani and adopted her son as his own.
