Charcter Bio - Darth Devicious is the newest member of the Sith Council. She was trained in the dark side by Darth Corrious.

As a person, Darth Devicious was self-reliant, manipulative, and wary of the intentions of others. She used her skills at manipulation to maneuver herself into a position of power at the Sith Academy. Not only did Devicious find compassion to be pathetic, it was also ironic since it weakened the very people it was intended to help, cheapening their experiences and leaving them more ill-prepared for dealing with difficulties on their own. Aside from her exceptional skills in manipulation, deception and betrayal were also notable talents that Devicious possessed. Though Devicious was intelligent and powerful in her own right.
