Description: Jo was a human female resident of the town of Freetown on Tatooine following the fall of the Galactic Empire. In response to a krayt dragon threatening the town, its marshal, Cobb Vanth, agreed to work with the Mandalorian bounty hunter Din Djarin and a nearby tribe of Tusken Raiders to defeat the dragon, with Djarin volunteering the residents of Mos Pelgo to assist in the fight. As the Mos Pelgo residents and Tusken Raiders prepared a trap for the krayt dragon, Jo armed the explosives that had been placed beneath the sand. She passed the detonator to Vanth, advising the marshal to be careful. Jo survived the battle against the krayt dragon and helped the

Tuskens and the other villagers strip its carcass.
