Description: Dobias Cole-Truten was a human who made a meager living on Jedha trapping and selling silichordate worms that other vendors would turn into meals. He required a rebreather due to his chronic respiratory condition, which he got from digging near Jedha's kyber mines. Cole-Truten had a reputation, at least with Baze Malbus, of selling particularly wretched worms. In 0 BBY, Cole-Truten was in Jedha City when it was targeted by the Galactic Empire's Death Star, and

was killed in the destruction.
