Description: Horliss-Horliss was one of the four spirits that inhabited the planet Bedlam near the Bedlam Pulsar. During the Galactic Civil War Horliss-Horliss had "thrown a shape" and soon met princess Leia Organa, who crashed on the planet and was escaping from three stormtroopers. The other spirit, called Tilotny, decided to play with them and eventually killed them all. Horliss-Horliss suggested Tilotny to clean the mess, but she ordered Splendid Ap to do it instead.

Powers and abilities

Like all other spirits, Horliss-Horliss was capable of manipulating time and mass. Horliss-Horliss was often arguing with Tilotny.
