The Force D6 / Chant of Manipulation

Chant of Manipulation

Control Difficulty: Moderate
Alter Difficulty: Difficult
Effect: This power allowed a Nightsister to manipulate the very rocks beneath their feet, making it flow under their will, and be shaped as they desire. They can move 1 Square meter of rock, +5 to their Alter Difficulty for each additional Meter they wish to manipulate. This rock can moves slowly, but can be used to trap and imprison targets who are not prepared or capable of leaping out of it's reach.

Description: During the events of Star Wars Jedi: Fallen Order, after a lengthy battle, Merrin was able to use her magick to immobilize Taron Malicos and bury him alive. When Malicos demanded to know what was happening to him, Merrin responded by telling him that "Dathomir will be your grave", just as he had said to Kestis preceding the duel.

Like all Nightsister magicks, the spell appeared as a green mist.
