Equipment D6 / Tunqstoid Protective Boot

Name: Tunqstoid Protective Boot
Type: Protective Boot
Cost: 250 Credits
Availability: 2

Game effects:

Shock Protection: Tungstoid Protective Boots protect the user from shocks through the feet, completely negating all damage from Energy attacks through the floor such as the security systems in Imperial Prisons.

Description: Tunqstoid protective boots were a type of special boot worn by the Imperial guards in the Narkina 5 prison complex. It protected them from being shocked by the tunqstoid steel in the prison floors and allowed them to activate them against prisoners at any time without concern over their own safety.
