B-12/r Repeating Blaster

The Kashan Industries B-12/r repeating blaster is another, less popular, variant of the B-12 blaster rifle. At the cost of firepower, the B-12/r gives the user multiple, rapid-fire, shots. Unlike other repeating blasters of its scale, the B-12/r has an optional power jack, for plugging into a back pack battery or a power generator for extended firepower.
