Description: Clave Rollek was a pirate who was based at Yarrum Tower during the High Republic Era. He befriended the lost Jedi youngling Bren from Tenoo, who accidentally stowed aboard a

starship bound for Yarrum. When Bren's friend Kai Brightstar traveled to Yarrum to seek Bren, Rollek offered to help repair the damaged Crimson Firehawk, which needed a new stabilizer coil. Rollek stole one from a local Twi'lek merchant named Hudi and escaped with Bren, whom he attempted to recruit as a pirate. Rollek also intended to steal the Firehawk. However, Brightstar caught up with the two and convinced Bren that stealing wasn't right. Together, the two fought and defeated Rollek, who fled into the desert.
