Description: Niki was a human female who was proprietor of the Niki-Bon Travel Agency on the planet Coruscant. In 3 BBY, she and the other proprietor, Bon, were in the agency's back room when the Axis network member Cassian Andor knocked on the building's window. When Niki emerged and let him in, Andor asked to travel to the planet Ghorman and after he used the phrase "I have friends everywhere" Niki called to Bon to see what they had for the world. Andor later left and traveled to Ghorman.

***Biography***

Niki was a human female who, alongside the alien Bon, was the proprietor of the eponymous Niki-Bon Travel Agency on an upper level of the planet Coruscant during the reign of the Galactic Empire. The pair resided in a room in the back of the office and in 3 BBY, were back there together laughing when Cassian Andor, a member of the rebel Axis network, arrived at the travel agency. Andor knocked on the building's window and Niki told Bon to stop what he was doing.

She then emerged from the back room with messy hair up in a bun while tightening her dressing gown to turn on the lights and let Andor in. Andor stated that he wished to travel to Ghorman, a planet in the Colonies, and Niki asked if it was to visit friends there. Andor questioned why she wished to know, and Niki claimed to be curious by nature. This caused Andor to chuckle, and he responded with the phrase "I have friends everywhere," which was used by members of the network to identify one another or allies. Holding her mouth screwed to one side, Niki then called back to Bon and asked what they had for Ghorman, prompting the alien to emerge and grunt at Andor. Andor later left the travel agency with a new piece of luggage and traveled to the Coruscant Eastern Spaceport where he departed for Ghorman.

***Personality and traits***

Niki and Bon were willing to help a potential customer at any hour for the right price. She spoke Galactic Basic Standard to Andor but used a different language when speaking to Bon. Niki had black hair, tan skin, and brown eyes.

***Equipment***

Niki wore a red dressing gown when talking to Andor.
