Description: Skeeto Rawk was a Human male and a Force-sensitive who was the adopted son of Droo Rawk and Nat Skywalker, then going by the alias "Bantha" Rawk. Skeeto had an older sister, Ahnah Rawk, and a brother, Micah. During the Second Imperial Civil War, Skeeto and Annah rode together on a speeder bike as they joined the rest of their family in defending their home, Rawk's Nest, from Black Sun invaders. They were assisted by the Mynock, piloted by Cade Skywalker,

Jariah Syn and Deliah Blue.

Four days later, Skeeto and the others enjoyed the swimming pool and played ball with Jariah Syn. The Rawk family later watched the holonews about the Massacre on Mon Calamari. It was then that Cade revealed that he was a Skywalker. Afterward, the family moved to Kiffu without Nat Skywalker.
