

Weapons D6 / Proximity Charge

Proximity Charge

Proximity charges are common place antipersonnel weapons used by almost every military organization in the galaxy. The concept is simple, when an unsuspecting target wanders too near a proximity charge, it detonates, thus eliminating the target. Most proximity charges have a trigger range of two meters but this setting can easily be changed before priming.

Model: Merr-Sonn Munitions Proximity Charge

Type: All purpose explosive charge

Scale: Character

Skill: Demolitions

Cost: 250 credits

Availability: 2, X

Blast Radius: 0-2/4/6

Damage: 5D/3D/1D

Game Notes: Mishaps - such as rolling a "1" on the Wild Die - indicate premature explosion.
