Adelphi SB-70

The SB-70 was released by adelphi as "the ultimate covert operations pistol". While it has no more stopping power than a Czerka Slasher, it has a hefty discharge rate. It can discharge one fifth of its clip in under five seconds. It has a 15 round clip of .45 ammo. It comes with a silencer and an integrated laser sight module enhancing the full 'covert' feel of the weapon.
