Belecuu PK11/C2

The Belecuu PK11/C2 semi-automatic combat pistol was intended to be used as a standard issue sidearm police forces, militias and the like. However, Belecuu opted to change their marketing scheme at the last minute and sport the PK11/C2 as a "personal collector's item" in an attempt to possibly get around some of the strict ownership restriction laws imposed by both the Empire and the Republic. It worked and it is now Belecuu's top selling product and can be found in almost any major city throughout the galaxy.
