

Weapons D6 / Heraali PP7 Compact Pistol

Heraali PP7 Compact Pistol

The Heraali PP7 compact pistol is a smaller handgun that is only slightly larger than the average hold-out blaster. The PP7 comes in a flat black and is small enough to fit in a pocket. It comes ready to fit a specialized silencer and is often sold with a carrying case, silencer and two spare ammunition clips.

The PP7 is Heraali's most popular product and can be found on almost any major planet due to the extensive personal defense advertising theme that Heraali ran.
