## Deluxe Personal Rifle

Mestic's Deluxe Personal Rifle Kit is the slugthrower rifle for those richer professionals. It comes with a sturdy metallic carrying case that is not only extremely durable but almost completely sensor resistant.

The rifle itself breaks down into three main parts: the stock, the barrel, and the main body. All must be assembled in order for the weapon to function. It also comes with a state of the art rifle silencer, a sighting macroscope, and a cleaning kit. All of the components fit into their own special groove inside the case and are securely held in place.
