Disruptor Pistol

While this has only 5 shots per power pack, I often only need one. Being a pirate, once I've gathered prisoners(if any are left), I often make an example of one of them. The thought of literally being atomized usually scares the heebie jeebies out of most of my prisoners. If any still show resistance, I vape them, too. I don't keep more prisoners than I have ammo for anyway.
