

The Force D6 / Force Shield

Force Shield

Control Difficulty: Difficult.

Sense Difficulty: Difficult, modified by proximity and relationship

Alter Difficulty: Target's Control roll

Required Powers: Affect Mind, Dim Other's Senses, Magnify Senses,

Projective Telepathy, Shift Sense, Sense Force

This power may be kept up

Effect: This power allows one force user 'shield' another from the force.

The user places a barrier between the target and the force. This does not strip a target of force use, merely blocks it for as long as the shield is raised. It is initially resisted with control and any round the target wishes to he may take an action to try and break free with his control vs. the user's alter. As long as the shield remains up the target may not use the force. He is not restricted in any other way.
