Feleini-Arat T29 Battle Tank

The Feleini-Arat RepulsorMotors T29 battle tank is an antique model war machine used by various factions during the downfall of the Old Republic and the rise of the Empire. Compared to modern day combat repulsortanks, the T29 is pitifully slow, unmaneuverable and extremely vulnerable as none of the weapons are able to fire in any direction other than forward.

Craft: Feleini-Arat RepulsorMotors T29 Battle Tank

Class: Speeder [Ground]

Size: Gargantuan (12.52 m long)
