Commlink, Wheelchair, Datapad

Description: Braxas was a male Asogian who worked as an infochant on the planet Solay.

Confined to a wheelchair, Braxas was a member of the Asogian species. When the Galactic Empire subjugated Solay, Braxas fled the planet with Luke Skywalker as his pilot. The price to get Luke on his side was to show him the hologram of the final battle on Solay, revealing what killed Raggold's suicide.
