Description: Esoomians were hulking humanoids indigenous to Esooma who bore a strong resemblance to the Zexx. They reached 3 meters in height and were immensely strong, but tended to be simpleminded and to speak in a garbled manner. They were regarded as among the best hired muscle in the galaxy.

During the Galactic Civil War, their homeworld was quarantined by the Galactic Empire; after the Battle of Endor, however, the quarantine was lifted, and Esoomians began seeking work throughout the galaxy.

The bounty hunter Tantor was an Esoomian, as well as the shockboxer Tontruk.
