Description: BIX was a masculine service droid who competed with the Umboo Racing Team in the planet Roon's annual Roon Colonial Games. When BIX was disabled shortly before the Drainsweeper

race of 15 BBY, C-3PO helped the team win the event in his place.

BIX competed as a rockhopper rider with Auren Yomm's Umboo Racing Team, representing the planet Roon's Umboo province in the annual Roon Colonial Games. For three consecutive years, the droid and his teammate Gee Long had won the Drainsweeper relay race event.[3]

During the Roon Games of 15 BBY,[4] Bun-Dingo of the opposing Tawntoom team[3] drained BIX's power and poisoned Long[1] by tainting the team's mupple juice supply with droid coolant. The latter was eliminated from the competition by the resulting stomach ache, while the droid could not be recharged until after the race. However, Long and BIX were substituted for by Mungo Baobab and C-3PO, respectively, who competed in their place and, along with Yomm, won the event for Umboo.

Characteristics

A sleek[5] service droid,[1] BIX had blue and gray plating with a pair of white photoreceptors.
