Scale: Speeder  
Skill: Vehicle Blasters  
Fire Control: 2D  
Range: 50-300/500/1km  
Damage: 5D

Description: This walker is used in small quantities by the Mandalorians, and is a match for any of the light walkers used by their opposition. However the Mandalorians prefer to use Starfighters and armoured infantry to seize and hold planets, not liking to use ungainly and slow walkers at all.
