

Lumnar Diamond Wrist Vibro-Blade

The Diamond Tripple Wrist Vibroblade unit is a redesign of the old vibroclaw concept. Wrather than a glvoe with clows coming off each finger, a wrist band was used. Three curving diamond shaped vibrolades extend and retract off the wrist band when the user makes a fist and flexes their wrist. These blades are very sharp and the vibro unit makes them icnredibly dangerous.

Model: Lumnar Industries Tripple Vibroblade

Type: Wrist Vibroblades

Cost: 500 credit per wrist unit

Difficulty: Easy
