

Vehicles D20 / Liberty Light Repulsortank

Liberty Light Repulsortank

The Liberty light repulsortank was one of the more common and undependable combat vehicles fielded by the Alliance during the height of the Rebellion. It is nothing more than an Aratech AA-4 mega haul speeder truck with a large laser cannon turret mounted on top. It was a cheap alternative to purchasing actual repulsortanks, but as the saying goes, you get what you pay for.

Craft: Modified Aratech AA-4 Mega Haul

Class: Speeder [Ground]

Size: Gargantuan (16.2 m long)
