+1D PERC in quiet situations only.

Broadband Antenna:

Can intercept and decode most communications frequencies. Can patch into shipboard and vehicular communications systems.

Environmental Filter:

Filters out most harmful particles from the air or seal with two hours of air.

Character Bio - Adenn Skirata is the younger brother of the current Mand'alore. He along with the rest of his family has vowed to avenge his father's death by the hands of a Falleen Bounty Hunter. Adenn is the current trainer for the Mandalorian Super Commandos, he has about 50 Mandalorians right now that he is training. Adeen means merciless in the Mandalorian language.

Throughout the many years of his bounty hunting and super commando career, Adenn Skirata developed a strong sense of justice, moral obligation, and adhered to his own code of honor. He took only certain bounties that agreed with his own beliefs and brutal justice. But to those few, he whole-heartedly devoted all of his magnificent skill should the occasion call for it. This led him to believe in a quick, clean kill. Adenn is also an expert marksman and had access to considerable weaponry. Despite having this high-tech arsenal, he was not dependent on it.

As a boy, he was much more enthusiastic and open-minded until his father's death at Dxun. The death of Adenn Skirata's father at the hands of the Falleen bounty hunter, inspired within Adenn a deep-seated animosity against all Falleen.
