Description: Jesba-Be Issa was an Aki-Aki resident of the planet Pasaana who acted as a tribal guardian of communally raised children. By 35 ABY, Issa was an adult and attended the Festival of the Ancestors in the Forbidden Valley, where the tribal guardian stood holding an Aki-Aki infant alongside fellow guardian Fadda-Rarb Arda. As Issa held up the infant and rocked it in the air, a group of Resistance agents searching for a Sith wayfinder passed by. Issa wore a green robe with a necklace of large purple beads and a second, blue necklace with golden beads. The Aki-Aki had gray skin and brown eyes.
