Armour Plating (+1D vs damage)

Spikes (Str+2 Damage)

Vibroblades (Str+2D Damage)

Blasters (5D Damage)

Spiked Mace (Str+1D Damage)

Move: 10

Description: Mantoid was a droid gladiator in the Cauldron on Rattatak. It had a black body with eight arms each tipped with a different melee weapon including blades, a spiked mace, and blasters. A flat, round head contained optical scanners mounted along its perimeter providing a 360-degree view insuring no opponents could easily sneak up on it. Despite this it was destroyed by Grunda Dolma in close combat in the Cauldron.
