

Tele Mine 44

The Tele Mine 44 is one of the standard anti-tank mines for the Imperial StormElite and Imperial Army. The Tele Mine 44 has more explosives than the Model 43, and has also been fitted with a seismic tamper device that can stop enemy anti-tankers from defusing mines.

Model: Quavar Tele Mine, Model 44

Type: Anti-tank mine

Scale: Character

Skill: Demolitions

Cost: Not available for sale

Availability: 2, X

Blast Radius: Concentrated

Damage: 6D+2 (speeder-scale)

Game Notes:

Detection: The Tele Mine 44 is made from composite materials and contains less than .01% metal. Therefore, the difficulty to detect a Tele Mine 44 with sensors is the sensor difficulty +3D+2.

Seismic Tamper Trip: Five minutes after armament, any character approaching within two meters of the mine has tripped a seismic tamper device that automatically explodes that same round.

Characters within two meters of the mine take full damage.
