Fire Arc: 1 Front, 2 Rear

Fire Control: 4D

Space: 0.3/1.5/3

Atmosphere: 300/1500/3000m

Damage: 3D

Description: the Regent Class Carrier was designed and built by the Royal Arsenal Corporation in tandem with both the Viceroy class Attack Cruiser and the Mark IV King Jasson class Heavy Cruiser, the Regent is intended to carry a full brigade of troops, their vehicles and eight to ten full wings of fighters and/or bombers.

Characteristics: The Regent is very similar to the Viceroy, it merely lacks its heavy firepower but has a large ventral hangar.
