Special Abilities:

 Natural Telepath: Bane Malar was a natural telepath, which aided his hunting, although his natural talents were weak. However when under the influence of Glitterstim, he could add +1D to all attempts to detect deception or track intelligence creatures. He could also invade targets minds which requires an action, reducing their skills by 2D. However, the Glitterstim would reduce all of his skills by 2D for 2D

hours afterwards as he came down from the effects of the stimulant.
