Description: Teri Rosason was a human female Jedi Master of the Jedi Order during the High Republic Era, holding a seat on the Jedi High Council.

Biography

Rosason was involved in a delicate diplomatic negotiation and was unable to step away, and as such could not attend the Council's meeting regarding whether to participate in the Galactic Republic's effort against the Nihil marauder organization. Later, Rosason was one of three High Council members to greet Master Cohmac Vitus on his return to Coruscant and hear the news of Jedi Knight Dez Rydan's apparent death.

Personality and traits

While diplomatic when dealing with outsiders, Rosason could be combative and critical of Jedi actions. She was not pleased with Avar Kriss's mission against the Drengir and felt that Jedi on the frontier should consult with the council before taking aggressive actions.
