Character Bio -

Jan Ors A native of the planet Alderaan, Jan Ors served as an Alliance operative during the early years of the Galactic Civil War. Jan first met Kyle Katarn when he was still in training at the Imperial Military Academy. Katarn actually led an Imperial raid on a Rebel base where Jan was stationed, and although the Empire took control of the outpost, Kyle spared Jan's life during the operation. Later, aboard the luxury liner Star of Empire, Jan met Kyle again as he was on his way to his first military posting.
