Analytical Computer

Surgical Attachments

Medicine Dispensers

Move: 7

Size: 1.6 meters tall

Cost: 1,100 (used)

Description: The 2-1B series of medical droid may be the most advanced in the galaxy, but the MD series is the most common. The MD series is the predecessor to the 2-1B, and shares a large number of the features with the 2-1B, and still sees a large amount of use in hospitals across the galaxy.
