SPECIAL ABILITIES

Head-tails: Twi'leks can use their head tails to communicate in secret with each other, even in a room full of individuals. The complex movement of the tentacles is, in a sense, a "secret" language that all Twi'leks are fluent in.

Description: Locc was a Twi'lek male who lived in a village on Tenoo with their infant child, Jor. Locc and Jor received help from the Tenoo Jedi Younglings to prepare a large feast, but while picking Lumo Cave Mushrooms, Locc, Jor, and Nubs were trapped after a large Tenoo Tree fell. Kai Brightstar and Lys Solay called for Raxlo's help, and eventually, everyone was rescued from the cave. Locc and the villagers helped Raxlo build a new harvester since the Gozzo's machine was destroyed during the rescue mission.
