Droids D6 / Camera Droid

Camera Droid

Built for new corporations originaly the camera drodis became widespread in their sue for all sorts of things. Wealthy
people use them to record their vacations rather than tape it themselves, sports events, traffic reports, ect all use
these droids. It is not unusual to see the camera droids whipping around scenes of a crime, or accident, or some major
event. There are many camera droids out there, but the Temere Corp one is known throughout the galaxy as the smartest and
easiet to use.
