Description: Jasa Plynn was a Nautolan music shop owner and musical instrument repairperson active during the High Republic Era. Plynn's shop was located on Bogachi. Plynn became an associate of Jedi Padawan Bell Zettifar, who was honing his skills as a vioddle player. When Zettifar damaged his instrument, he brought it to Plynn for repairs. During his visit, while Jedi Initiate Kai Brightstar petted Plynn's feline companion Flim, the pet entered a hypnotic trance, seduced by the sounds of the kloo horn melodies of Newf Grayson, filtered through a sound wave modulator. Plynn helped the Jedi investigate the plot, including providing percussion beats for Zettifar as he challenged Grayson to a musical duel.
