Description: Kili Oso, also known as "The Closer," was one of Sorc Tormo's top bounty hunters; few survived a fight against him. He was a known survivor of many fights on Ordo Eris' Death Pits

and had the distinction of having been denounced and sentenced to death by an Imperial Moff.

In 9 BBY, Kili Oso and a band of bounty hunters from the Haxion Brood went after Jedi Knight Cal Kestis, after he took down several other hunters from the crime syndicate. They were no match for the Jedi, and Kili Oso was killed inside the Pilgrim's Sanctuary located on the moon Jedha.
