Story Factors:

Reputation: Rodians are notorious for their tenacity and their eagerness to kill intelligent beings for the sake of a few credits. Certain factions of galactic civilization (most notably criminal organizations, authoritarian/dictatorial planetary governments and the Empire) find Rodians to be indispensable employees, despite the fact that they are almost universally distrusted by other species. Whenever an unfamiliar Rodian is encountered, most other beings assume that it is involved in a hunt, and give the alien a wide berth.
