Background:
British Army Special Air Service Sergeant Pete Twamley was born in Glasgow, Scotland.
Pete has been with the SAS for 14 years and is the father of the team, ever loyal to Henno. An expert in explosives, he is happily married to his childhood sweetheart - and Mrs Twamley is the only wife readily accepted among the troop. Pete's life was turned upside down when he was horrifically injured in a shoot-out in Bosnia. Although he is back at work, he is pushed into administration and longs for a return to active duty. But his emotional scars are not yet healed.
His skill with explosives, machineguns and tactical weapons enabled him to quickly join one of the

SG teams.
