Background:
British Army Special Air Service Corporal Jamie Dow was born in Wythenshawe, Manchester, England, UK.
He turned round his unhappy childhood and joined the army logistics as a mechanic to avoid a prison sentence for stealing cars, he went on to pass the selection process and achieve great

success in the SAS, but the problems of his family and his abusive stepfather are never far from his mind. Jamie has let down his guard to begin a secret relationship with Captain Caroline Walshe. His skill with machineguns and tactical weapons enabled him to quickly join one of the SG teams.
