Equipment D20 / Imperial BP-19 Heavy Blaste

Imperial BP-19 Heavy Blaster Pistol

Unlike the BP-18 (which was a copy of the BlasTech DL-18), the BP-19 is an actual original design by Palvar Imperial Munitions. The BP-19 trades range and ammunition for increased firepower (just like most other heavy blaster pistols).

The BP-19 is not sold to the public (the BP-18 is on a restricted basis) and is only issued to higher ranking Imperial officers on request.
