Background:
Air Force Lieutenant Colonel Leanne White was born in Queens, New York.
She attended Harvard Medical College in Boston, Massachusetts, where she competed in swimming events.
She gained her Ph.D and was valedictorian in her class, before joining the Air Force Pararescue Special Operations, because of her training she moved to Kirtland Air Force Base, New Mexico. She married her husband shortly after they were both commissioned and spent many years stationed at various airbases around the world, before she was divorced due to irreconcilable differences.
She is the CMO for the new off-world base and an expert in medicine and biology.

She has done a vast amount of research on the Ancients using Daniel Jackson's extensive notes and research material.
Her current assignment is to conduct medical research and analysis of alien diseases and provide medical care for personnel at the SGA and for alien cultures.
