Background:
Air Force Lieutenant Colonel Murray Daniels was born in Philadelphia, Pennsylvania.
He studied archaeology at the University of California, Los Angeles and played soccer.
He later went on to attend the United States Air Force Academy in Colorado Springs, Colorado.
After graduating from the Academy and being quickly promoted to lieutenant, Daniels became a member of a Stargate trainee group. After a successful training mission, Lieutenant Daniels was scheduled to be assigned to an SG field unit when a position became available.
His current assignment is to conduct research and analysis of alien artifacts and provide valuable information to off-world teams and the command at the SGA.
