Background:
CIA Agent Michael C. Vaughn was born in Fleury, Normandy, France.
His CIA agent father was killed in the line of duty; he and Sydney both suspected her father of the murder. They recently learned that Sydney's mother, who was also a KGB agent, did the deed.

His father, Bill Vaughn was a Rambaldi follower who was assassinated by Irina Derevko. Bill was protecting a little girl who had become known as the Passenger, who, according to Rambaldi is a threat to the Chosen One - whom many believe is Sydney Bristow. Vaughn was charged with taking up his father's mission and keeping the Passenger safe.
