Equipment D20 / Vetricon RPG

Vetricon RPG

Vetricon's multi-use rocket launcher. It fires a small rocket propelled grenade round capable of decimating msot armoured vehicles in use on the field today. It is a anrrow firing assembly with the rocket round atatched to the front end. It is very simple and easy to use and icnredibly lightweight. It's simple design makes it easy to maintanence and it is very durable. It is a weapon that could be left in a jungle for months and would still work next time it's picked up.
