Equipment D20 / HattMark BB-12 Blaster Bon

HattMark BB-12 Blaster Bomb

This is the most powerful of the BB series. It look almost identical to a blaster rifle, and you can even have it made to the design of popular blasters, such as the E11 or Stormtrooper 2. It has a toggle switch that is in the place of the 'safety.' When the 'safety' is on, the bomb will explode one round after the trigger is pulled. When the 'safety' is off, it will explode, doing point-blank damage to the user.
