Equipment D20 / HattMark BB-9 Blaster Bomb

HattMark BB-9 Blaster Bomb

This Blaster Bomb is the unmistakeable from a blaster carbine, and will fit in most holsters designed for them. It has a toggle switch that is in the place of the 'safety.' When the 'safety' is on, the bomb will explode one round after the trigger is pulled. When the 'safety' is off, it will explode, doing point-blank damage to the user.

Model: HattMark BB-9
